## LETRAS | LYRICS

Counting all the rivers cried  
Tears and shame becoming one  
I'm always relieving our darkest tides

I am blinded by your lies  
Thinking there is no way out  
Rain is falling deep inside my heart

Why is this life so unbearable?  
(We are falling)  
Why is this love now becoming pain?  
(Becoming pain!)

Feeling lost and trapped inside  
Words are haunting all the time  
No place for the living

Try hard!  
Be a perfect man disguised  
So no one can see me  
In my own sacrifice

Why is this life so unbearable?  
Why is this love so untrue?  
(You can't tear me down)

There is fear inside my eyes  
All my memories coming back  
You and I, we've gone too far  
For I can't leave behind the torments  
of my past

Why is this life so unbearable?  
Why is this love so untrue?

Why is this life so unbearable?  
(We are falling)  
Why is this love now becoming pain?  
(Becoming pain!)
